

## **Public Notice**

Rolling Plains Groundwater Conservation District will hold a series of informational meetings regarding Rule updates being considered by its Directors. All meetings will be held on Monday, June 3, 2024. The meeting in Seymour will be held at 8 AM at the AgriLife office located at 500 N Main Street. The meeting in Benjamin will be held at 11 AM at the AgriLife office located at 109 E Hayes Street. The meeting in Haskell will be held at 3 PM at the Courthouse (3<sup>rd</sup> Floor) located at 1 Ave D.

Items to be discussed include test hole and well permitting, well density and spacing, water export facility permitting, and recharge facility permitting. Rule enforcement will also be discussed briefly as well as any other matter brought up by the public. The meetings will be conducted by District staff.
