#3 is used for _____ and is _____ yards to the _____ (direction) from the proposed well. Owner: _____

Certifications:

Licensed WWD/PI to be used and their cell number: _____

Date Drilling Anticipated to Begin: _____

I, the undersigned applicant, agree and certify that:

1. This well will be drilled within ten (10) yards of the location specified and not elsewhere, and will respect all District rules for metering, well density, and spacing regarding property lines, existing wells, and/or prior permits;
2. I will furnish the District with the completed driller's log, any electric log, and the well completion report within 60 days of completion of this well and prior to the production of water there from (other than such production as may be necessary to the drilling and testing of such well);
3. In using the well at issue in this application, I will avoid waste, achieve water conservation, and use reasonable diligence to protect groundwater quality;
4. I will follow District and State well plugging guidelines at the time of well closure; and
5. All information provided herein is, to the best of my knowledge, true and correct, and it shall be considered fraud upon the District to willfully give erroneous information in this application.
